PART V. DISCLOSURE STATEMENT AND INSTRUCTIONS TO DEBTOR(S)

Before agreeing to reaffirm a debt, review the terms disclosed in the Reaffirmation Agreement (Part I above) and these additional important disclosures and instructions.

Reaffirming a debt is a serious financial decision. The law requires you to take certain steps to make sure the decision is in your best interest. If these steps, which are detailed in the Instructions provided in Part V, Section B below, are not completed, the Reaffirmation Agreement is not effective, even though you have signed it.

A. DISCLOSURE STATEMENT

- 1. What are your obligations if you reaffirm a debt? A reaffirmed debt remains your personal legal obligation to pay. Your reaffirmed debt is not discharged in your bankruptcy case. That means that if you default on your reaffirmed debt after your bankruptcy case is over, your creditor may be able to take your property or your wages. Your obligations will be determined by the Reaffirmation Agreement, which may have changed the terms of the original agreement. If you are reaffirming an open end credit agreement, that agreement or applicable law may permit the creditor to change the terms of that agreement in the future under certain conditions.
- 2. Are you required to enter into a reaffirmation agreement by any law? No, you are not required to reaffirm a debt by any law. Only agree to reaffirm a debt if it is in your best interest. Be sure you can afford the payments that you agree to make.
- 3. What if your creditor has a security interest or lien? Your bankruptcy discharge does not eliminate any lien on your property. A "lien" is often referred to as a security interest, deed of trust, mortgage, or security deed. The property subject to a lien is often referred to as collateral. Even if you do not reaffirm and your personal liability on the debt is discharged, your creditor may still have a right under the lien to take the collateral if you do not pay or default on the debt. If the collateral is personal property that is exempt or that the trustee has abandoned, you may be able to redeem the item rather than reaffirm the debt. To redeem, you make a single payment to the creditor equal to the current value of the collateral, as the parties agree or the court determines.
- 4. How soon do you need to enter into and file a reaffirmation agreement? If you decide to enter into a reaffirmation agreement, you must do so before you receive your discharge. After you have entered into a reaffirmation agreement and all parts of this form that require a signature have been signed, either you or the creditor should file it as soon as possible. The signed agreement must be filed with the court no later than 60 days after the first date set for the meeting of creditors, so that the court will have time to schedule a hearing to approve the agreement if approval is required. However, the court may extend the time for filing, even after the 60-day period has ended.
- 5. Can you cancel the agreement? You may rescind (cancel) your Reaffirmation Agreement at any time before the bankruptcy court enters your discharge, or during the 60-day period that begins on the date your Reaffirmation Agreement is filed with the court, whichever occurs later. To rescind (cancel) your Reaffirmation Agreement, you must notify the creditor that your Reaffirmation Agreement is rescinded (or canceled). Remember that you can rescind the agreement, even if the court approves it, as long as you rescind within the time allowed.

6. When will this Reaffirmation Agreement be effective?

- a. If you were represented by an attorney during the negotiation of your Reaffirmation Agreement and
 - i. if the creditor is not a Credit Union, your Reaffirmation Agreement becomes effective when it is filed with the court unless the reaffirmation is presumed to be an undue hardship. If the Reaffirmation Agreement is presumed to be an undue hardship, the court must review it and may set a hearing to determine whether you have rebutted the presumption of undue hardship.
 - ii. if the creditor is a Credit Union, your Reaffirmation Agreement becomes effective when it is filed with the court.
- b. If you were not represented by an attorney during the negotiation of your Reaffirmation Agreement, the Reaffirmation Agreement will not be effective unless the court approves it. To have the court approve your agreement, you must file a motion. See Instruction 5, below. The court will notify you and the creditor of the hearing on your Reaffirmation Agreement. You must attend this hearing, at which time the judge will review your Reaffirmation Agreement. If the judge decides that the Reaffirmation Agreement is in your best interest, the agreement will be approved and will become effective. However, if your Reaffirmation Agreement is for a consumer debt secured by a mortgage, deed of trust, security deed, or other lien on your real property, like your home, you do not need to file a motion or get court approval of your Reaffirmation Agreement.
- 7. What if you have questions about what a creditor can do? If you have questions about reaffirming a debt or what the law requires, consult with the attorney who helped you negotiate this agreement. If you do not have an attorney helping you, you may ask the judge to explain the effect of this agreement to you at the hearing to approve the Reaffirmation Agreement. When this disclosure refers to what a creditor "may" do, it is not giving any creditor permission to do anything. The word "may" is used to tell you what might occur if the law permits the creditor to take the action.

B. INSTRUCTIONS

- 1. Review these Disclosures and carefully consider your decision to reaffirm. If you want to reaffirm, review and complete the information contained in the Reaffirmation Agreement (Part I above). If your case is a joint case, both spouses must sign the agreement if both are reaffirming the debt.
- 2. Complete the Debtor's Statement in Support of Reaffirmation Agreement (Part II above). Be sure that you can afford to make the payments that you are agreeing to make and that you have received a copy of the Disclosure Statement and a completed and signed Reaffirmation Agreement.
- 3. If you were represented by an attorney during the negotiation of your Reaffirmation Agreement, your attorney must sign and date the Certification By Debtor's Attorney (Part IV above).
- 4. You or your creditor must file with the court the original of this Reaffirmation Documents packet and a completed Reaffirmation Agreement Cover Sheet (Official Bankruptcy Form 427).
- 5. If you are not represented by an attorney, you must also complete and file with the court a separate document entitled "Motion for Court Approval of Reaffirmation Agreement" unless your Reaffirmation Agreement is for a consumer debt secured by a lien on your real property, such as your home. You can use Form 2400B to do this.

C. DEFINITIONS

- 1. "Amount Reaffirmed" means the total amount of debt that you are agreeing to pay (reaffirm) by entering into this agreement. The total amount of debt includes any unpaid fees and costs that you are agreeing to pay that arose on or before the date of disclosure, which is the date specified in the Reaffirmation Agreement (Part I, Section B above). Your credit agreement may obligate you to pay additional amounts that arise after the date of this disclosure. You should consult your credit agreement to determine whether you are obligated to pay additional amounts that may arise after the date of this disclosure.
- 2. "Annual Percentage Rate" means the interest rate on a loan expressed under the rules required by federal law. The annual percentage rate (as opposed to the "stated interest rate") tells you the full cost of your credit including many of the creditor's fees and charges. You will find the annual percentage rate for your original agreement on the disclosure statement that was given to you when the loan papers were signed or on the monthly statements sent to you for an open end credit account such as a credit card.
- 3. "Credit Union" means a financial institution as defined in 12 U.S.C. § 461(b)(1)(A)(iv). It is owned and controlled by and provides financial services to its members and typically uses words like "Credit Union" or initials like "C.U." or "F.C.U." in its name.
